

**A. PORTABLE DISPLAY SYSTEM**  
 Designed for use at cremation memorial and/or final disposition services. Display a floral spray, a portrait or photo collage and an urn in a 33"D x 24" wide space. The 60"H ladder rack unit made from anodized aluminum tubing in a matte finish gold-tone color; two legs fold for easy storage and transport. The heavy-duty urn shelf with laminated wood grain finish and bright brass-tone trim is 12"L x 10"D x .75" thick; attaches to the ladder rack at a variety of rung heights. The floral spray, 22"L x 12"H, rack slips into the top of the ladder rack and is made of anodized aluminum with two 2.25" steel "fold-away" points. Overall height of system with attached floral rack is 66.75". A portrait mounting set consisting of two polished brass knobs attaches with wing nuts at two pre-drilled levels. A heavy-duty canvas storage and carrying case with nylon web handles and snap closures must be ordered and purchased separately. Separate component parts may be purchased to convert an existing Ladder Rack Floral Display System into a Portable Memorial Display System.
