World class columns, capitals, garden benches and flower containers in 6 colors and a multitude of heights. All of these lightweight and low maintenance items are manufactured of rotomolded polyethylene. White and ivory are designed for indoor and temporary outdoor use. Stone-effects are for either indoor or long-term outdoor use. For any display purpose, we have a column to fit your needs. Flower containers mate with many different types and sizes of floral bouquet buckets to create a stable platform that supports large, complex bouquets and potted plants. Available in White, Ivory, Granite, Sandstone, Millstone or Blackstone. 10% upcharge on colors other than white. Due to the nature of molding, heights may vary slightly. Please specify color when ordering.
