

A. VIONEXUS NO-RINSE SPRAY ANTISEPTIC HANDWASH & DISPENSER

Vionexus No-Rinse Spray Antiseptic Handwash is an alcohol-based hand sanitizer for protection against bacteria when hands are not visibly soiled or contaminated. Meets CDC Guideline for hand hygiene in Healthcare Settings. Kills germs and cleans skin without running water. Both 65.87% ethanol and 0.10% benzalkonium chloride provide long-lasting protection against bacteria that can cause disease. Emollients help prevent dry, irritated skin and leave hands feeling soft. No water or towels needed, eliminating cross-contamination. Fast-drying for quicker donning of gloves. A no-touch dispenser that uses state-of-the-art infrared light to activate a premeasured spray. This hands-free delivery system virtually eliminates cross contamination and improves coverage in hard-to-reach areas of the hands, including nails, cuticles and crevices. Locking cabinet includes two keys.

- 317014** 1 Liter
- 317023** No-Touch Dispenser

C. VIONEX® ANTIMICROBIAL SKIN WIPE TOWELETTES

Saturated towelettes deliver non-irritating, non-flammable, cleansing and germ-killing solution to the skin with a sturdy, textured towel. Each towelette is individually foil-pouched for easy use and portability anywhere you need them. Saturated with enough solution to cover the hands for no-rinse cleansing. Contains the active ingredient parachlorometaxyleneol. Ideal for use in removals or other situations requiring discreet disinfection of hands.

515868

B. VIONEX® NO-RINSE GEL ANTISEPTIC HANDWASH

Cleanse and kill germs on hands without soap and water; virucidal and bactericidal capacity. Contains cleansers, skin conditioners, the antimicrobial parachloro-metaxyleneol and a non-flammable level of alcohol. Will not dry skin; fresh clean scent. OSHA compliant as an "antiseptic hand cleanser".

- 547689** 4 oz. Flip-Top Squeeze Bottle
- 547654** 18 oz. Pump Dispenser Bottle
- 515205** Wall-Mount Dispenser for 18 oz. Bottle

D. PUSH-IN WALL-MOUNT DISPENSER

Dispenses liquid soaps, lotions and antiseptic solutions. Chrome plated brass bracket; internal valve parts are stainless steel and plastic; reservoir is polyethylene with a 16 oz. capacity. Overall height is 6.5"; overall projection from wall is 5.125". Mounting hardware is included.

1244

E. VIONEX® ANTIMICROBIAL LIQUID SOAP

Formulated to be gentle and non-irritating for hand washing 30-50 times per day; contains skin conditioners and emollients to help relieve dry skin; soft, pleasant fragrance. Contains the powerful antimicrobial parachloro-metaxyleneol for broad spectrum germ-killing; 99.94% germ reduction in 30 seconds.

- 515825** 18 oz. Pump
- 515833** One Gallon Refill
- 515205** Wall-Mount Dispenser for 18 oz. Bottle

F. PUSH-PUMP WALL-MOUNT DISPENSER

High impact plastic design; strong spring action pump; removable internal reservoir has 32 oz. capacity. Overall height is 9.25"; width is 4.5"; overall projection from wall is 4". Mounts using either industrial strength double-stick tape or screw hardware; both are included.

511013

A. KELCO® KEL-SEPTIC SOAP

C. VIONEXUS FOAMING SOAP
 Vitamin E. Plum/apple fragrance, pH balanced and hypo-allergenic. Non-irritating; dispensed as foam. Will not dry out hands. Ideal for repeated use. 1 Liter.

547673

D. CITRUS II® ANTI-BACTERIAL HAND SOAP
 Effective protection against common disease causing germs such as e. coli, pseudomonas, salmonella and staphylococcus. Fresh citrus fragrance with rich moisturizers.

562448 8 oz. Pump

E. WEBRIL® HAND CLEANING WIPES
 Removes ink, oil, dirt, grease, paint, resins, tar and grass stains. Pre-moistened, no rinsing required. Super strong fabric. Leaves hands dry and lemon-fresh. 72 perforated, 12.25" x 10.5", tear-off cloth sheets per box.
 31364

F. SEPTI-CLEAN HAND SANITIZER & DISPENSER
 No-rinse gel formula with a citrus fragrance. Evaporates quickly; hypo-allergenic; will not dry skin. Eliminates approximately 99.5% resident bacteria within a 15 seconds. Contains ethyl alcohol, isopropyl alcohol and water.

516597 4 oz. Flip-Top Squeeze Bottle
~~516605~~ 800-ml Bx for Dispenser
 516571 Wall Dispenser

A. CAVICIDE® DISINFECTANT & DECONTAMINANT CLEANER
Safe for use on any surface including instruments, equipment, tables, counters, etc.; use as a presoak and cleaner prior to sterilization; pour a small amount in with laundry soap to disinfect a wash load; will not stain fabrics; will not harm plastic, rubber, stainless steel, glass, tile, Formica®, etc. Does not contain glutaraldehyde, phenols or bleach.

- 547816** 2 oz. Pump Bottle
- 547824** 8 oz. Pump Bottle
- 547832** 24 oz. Spray Bottle
- 547841** One Gallon Bottle

B. CITRUS II® GERMICIDAL CLEANSER
Controls healthcare odors and pathogens. Cleans, deodorizes and disinfects surfaces, equipment and non-critical instruments. Citrus fragrance. Safe on non-porous surfaces. Broad spectrum activity: Hepatitis B, bactericidal, virucidal, tuberculocidal, pseudomonal, fungicidal and mildew static. USDA and EPA approved, no toxic or harsh chemicals. Non-alcohol, non-flammable.

- 562365** 22 oz. Spray
- 562394** One Gallon Refill

C. MAXIMA 256
A one-step multi-purpose germicidal disinfectant effective for cleaning hard, non-porous surfaces better than conventional detergents. 32 ounce bottle of concentrate - mix ½ ounce per gallon of water.

516805

D. MEDICA 28® REUSABLE COLD STERILIZING & DISINFECTING SOLUTION
Non-staining, mild, pleasant fragrance dialdehyde (2.5% alkaline glutaraldehyde) solution should be used for high-level disinfection and sterilization. Activated by adding the entire contents of the activator vial to the gallon container; life of activated solution is 28 days. Spectrum of activity: bacteria: bacillus subtilis, clostridium sporogenes, staphylococcus aureus, salmonella choleraesuis, pseudomonas aeruginosa, mycobacterium tuberculosis; viruses: poliovirus, rhinovirus, cytomegalovirus, influenza virus, HIV-1 and herpes simplex I & II. One Gallon.

552194

E. EMPOWER DUAL ENZYMATIC DETERGENT
No sterilization system can reliably penetrate the bioburden on soiled surgical instruments; thus the precleaning step is critical. Is excellent for dissolving blood, tissue, mucous and body fluids and preventing debris from drying on instruments immediately after a procedure. Convenient spray foam reduces splashing and messy spills. Spray on the foam to effectively cover the instruments, keeping them moist, prior to rinsing thoroughly. Low-foaming formula is ideal for use in automated machines. Contains 2 proteolytic enzymes for effective cleaning.

- 317086** 24 oz. Spray
- 317074** One Gallon

F. MEDICA DC 10 DISINFECTANT
Non-toxic; will not absorb through the skin and won't stain or damage materials/instruments. Can be used for immersion, as a surface spray or in an ultrasonic unit. Eliminates the need for a pre-cleaner. EPA registered; exceeds OSHA regulations. Designed for curing lights and lens covers, exam furniture, glasses, stainless steel, formica and plastics; use as a body wash agent at full-strength. Effective against bacteria such as staphylococcus aureus, salmonella choleraesuis, pseudomonas aeruginosa and klebsiella pneumoniae. Kills viruses: influenza A2/Hk, herpes simplex type II, and polio I virus. Kills microbacterium bovis BCG (tuberculosis), HIV-1 (AIDS).

- 552248** 1 Qt. Pump Spray
- 552259** One Gallon

A. CITRUS II® ODOR ELIMINATOR
Transforms a room or an entire building into a healthy, fresh-smelling environment by eliminating odors on contact! 100% natural, containing only the pure essential oils of tree-ripened citrus fruit. Eliminates the harsh odors of urine, feces and decubitus ulcers in lab or exam rooms. Non-toxic, hypo-allergenic and biodegradable. 7 fl. oz.
562432

B. KELCO® THANATECH® KELODORANT POWDER
Pleasant mint-herbal scented deodorant powder with additives to enhance and promote disinfection and preservation. Ideal for application in plastic undergarments, body bags, caskets and shipping containers.
50164 16 oz. Shaker
50165 9.25 lb. Pail
50166 25 lb. Pail

C. OZIUM® AIR SANITIZER
Reduces airborne, odor-causing bacteria; removes smoke, dispels odors. Spray for 1 second; treats a room 10' x 14' x 8'. For smoke and odor control, treat room twice. Light citrus scent; non-toxic.
28746 .8 oz., 12/Bx
28738 3.5 oz., 6/Bx

D. NILODOR® CONCENTRATE
Highly concentrated, use sparingly. Tap-A-Drop bottle permits controlled and economical usage; one drop treats 1000 square feet. Slow evaporation rate makes it long-lasting; fresh, pleasant fragrance; non-toxic. Apply one drop at a time in discreet locations; add two to three drops in scrub water solution when cleaning floors and walls; add necessary drops at a discreet location in a casket. .5 oz.
298611

E. ODOR ASSASSIN™
Super-concentrated! The orange scent has the oil from over 3,000 oranges in every non-aerosol, 8 oz. can. Just 1 or 2 mists will clear away in seconds.
311511 Fresh Orange
311562 Crisp Apple
311523 Lemon-Lime

F. METRIMIST®
A natural, non-masking, aromatic deodorizer that eliminates offensive odors by cleaning the air. Effectively neutralizes airborne odors. For use in all clinical settings to eliminate offensive odors. A light fresh scent. Use sparingly in the air, directly on surfaces or add it to laundry water to eliminate odors. Will not harm counters or other surfaces. Effective on irritating odors such as hydrogen sulfide, ammonia and any other chemical compound. Environmentally friendly, inert, biodegradable, non-toxic, non-poisonous and non-flammable. 8 oz. pump spray bottle.
547625

G. X-O® & X-O® PLUS
Neutralizes odors within seconds with no lingering scent. Made from natural extracts of herbs, fruits and cereal grains in pure deionized water. Non-toxic, biodegradable, non-flammable, safe on fabrics, hypo-allergenic. Use as an air-freshener, in surface applications or fabrics, add to scrub water or laundry, add to carpet solutions, freshen vehicles or on decomposed tissue areas. The X-O® has the same ingredients as above, with a gentle detergent for cleaning.
515892 X-O®, 1 Gallon
515884 X-O®, 8 oz. Spray
516759 X-O®, Plus Gallon
516732 X-O®, Plus 16 oz. Spray
