

ALL TENTS ON THIS PAGE ARE AVAILABLE IN THESE COLORS:

A

A. SOFT-TOP ROLL-ABOUT TENT

Our soft-top tent is easily assembled on site without any welding. Original assembly time is approximately one hour. This tent can be helpful when tightly scheduled services do not allow enough time for setup. The top is made of Sunbrella, an acrylic nylon material. It is double-sewn with awning ties around the side rails and reinforced with leather in corners, top and sides. Includes four pneumatic wheels, two with brakes. Towing package is available separately. Personalization (lettering is heat-sealed directly to the top) is available on one side free, additional sides available at an extra charge. White lettering only.

547271 Top & Frame 15' x 15'

308917 Personalization: One Side Free, Additional Sides Extra

B. PUSH POLE TENT

This tent can be easily recognized by its use of a center pole. Acrylic top comes standard with reinforcement in top and corners for a long life. Center pole is always made of aluminum for easy lightweight handling. Personalization (lettering is heat-sealed directly to the top) is available on one side free and additional sides at an extra charge. White lettering only. Seven available top colors, see chart at the top of this page.

308555 16' x 16' Acrylic Tent Top Only

308563 18' x 18' Acrylic Tent Top Only

Please specify steel frame or aluminum frame when ordering acrylic tent tops due to the diameter of the frame tubing.

308594 Steel Tent Frame, Up To 15'

308602 Steel Tent Frame, 16' to 24'

308619 Aluminum Tent Frame, Up To 15'

C. RIDGE POLE TENT

On the Folding Ridge Pole Tent, quality construction is evident throughout. Constructed of standard galvanized steel tubing, which prevents warping or breakage under normal use. These folding and support poles are lightweight and easy to handle. Personalization (lettering is heat-sealed directly to the top) is available on one side free and additional sides at an extra charge. White lettering. Seven available top colors, see chart at top of this page.
