

**WASTEMASTER™ COLLECTION**

Available in six enamel colors. Heavy gauge, rolled sheet steel construction will withstand years of use in even the most demanding environments. Inner, fire safe, galvanized steel container with a lift out handle for easy removal of refuse and a permanent rolled on non-corrosive, non-rusting aluminum bottom for lasting floor protection. Guaranteed for a lifetime. Please specify choice of satin brass cover (for indoor use) or satin aluminum (for outdoor use) and your choice of enamel color when ordering.

**FLOOR STANDING SMOKERS POST**

Solid .125" thick seamless receptacles in satin brass or satin aluminum finish. Satin brass models cannot tarnish and never need polishing. The lightweight, slender cylinder detaches from the base with the push of a button, allowing the self-contained unit to be removed for emptying. The top removes for emptying, again with the simple push of a button. Completely waterproof and fireproof. Heavy weighted base for extra stability and an internal cigarette snuffer panel to extinguish cigarettes and cigars. Please specify satin brass (for indoor use) or satin aluminum (for outdoor use) when ordering. 3.5" Dia. x 42"H, 28 lbs, 14" Base Dia.
